BALLITO | KWAZULU-NATAL

UNDER THE FOREST CANOPY OVERLOOKING THE INDIAN OCEAN

Zimbali, meaning “valley of flowers” in isiZulu, perfectly captures the iconic Zimbali Coastal Resort in which the property is situated. A stay here will set you within a 5min drive from the thriving hub of Ballito, and just a 20min drive from King Shaka International Airport. The accommodation hits the sweet spot between classic elegance and modernity, with interiors accentuated by warm wooden finishes and autumn tones. Private decks offer a front-row seat to the glorious surrounds – an indigenous forest brimming with butterflies, bush buck and birds. Zimbali Lodge also caters for small conferences and holds its own as a highly sought-after wedding venue. Whether you arrive with a loved one, your family or as a solo traveller, expect to be pampered like a movie star by the attentive valets and knowledgeable concierge. Aside from the elegant dining options, the eco-estate is a treasure trove of activities and needs no introduction to keen golfers who can tee off from the championship 18-hole course. Enjoy that perfect day out at the secluded beach just a stone’s throw away from the lodge or venture further afield to explore the game parks, marine reserves, glittering coastlines and estuaries within the surrounding regions.
